This memorandum of understanding has been signed on Dated 22-06-2022

Syon College, Abohar, and Bankey Bihari College of Pharmacy, Abohar recognize the importance of fostering educational and professional growth through collaborative efforts. This Memorandum of Understanding (MOU) is established to formalize a partnership aimed at enhancing the academic and practical training of students enrolled in Syon College's healthcare.

The collaboration is designed to provide students with valuable hands-on experience and exposure to real-world practices in the field of pharmacy. Bankey Bihari College of Pharmacy, with its expertise and established presence in the pharmaceutical industry, will offer internships, workshops, and training sessions to Syon College students. In return, Syon College will provide academic support, research collaboration opportunities, and contribute to the professional development of the staff at Bankey Bihari College of Pharmacy.

## Terms of Agreement:

### Purpose:

The primary objective of this MOU is to establish a collaborative partnership between Syon College, Abohar, and Bankey Bihari College of Pharmacy to enhance the academic and professional development of students in healthcare and pharmaceutical programs.

### Scope of Work:

Syon College will facilitate the participation of its students in internships, workshops, and training sessions at Bankey Bihari College of Pharmacy. Bankey Bihari College of Pharmacy will provide practical training opportunities, including hands-on experience, exposure to industry practices, and access to its facilities for educational purposes.

### Responsibilities:

Syon College will be responsible for selecting eligible students, coordinating their participation, and providing necessary academic support. Bankey Bihari Pharmacy will be responsible for organizing and conducting the practical training, offering guidance to students, and ensuring a safe and conducive learning environment.

### Confidentiality:

Both parties agree to maintain the confidentiality of any proprietary or sensitive information exchanged during the collaboration. This includes, but is not limited to, business practices, research data, and student information.
